

# *Pokhara City Geo Walk*

**24 June 2017**

**#LocalGuides**

Hosted by Dinesh Bishwakarma

# Pokhara City Geo Walk

Let's lace up our most comfortable shoes and head to a new or lesser-known neighborhood in city. Add a place, upload a photo, and be the first to share it with the world.

Our program will start from 11 AM on 6/24/2017 Saturday. Every attendees are requested to arrive Western Regional Campus's near to Geomatics Class on time. Attendees should manage their android phone ,power banks and camera (if possible). It would be better if a hat and an umbrella will be managed as we are well known about the weather of Pokhara. Our meet-up will all about travelling around Pokhara city capturing photos of historical places and other famous places. The meet-up will end with a game which will surely lead to a fun.

When and Where?  
On June 24, 2017 and  
In Pashchimanchal Campus.

# How it will start?

Pokhara City Geo Walk, a Meet-Up by Local Guides around WRC. It will start from introduction about the Google maps and being a local guide and benefits to the community and personal level. After the introduction , the attendees will introduce themselves to each other.

After that we will start our walk from Pame Beach in Lake Side. At first we have to reach there by public transportation.

# How will we go?
